SUBJECT: SPONSORSHIP OPPORTUNITIES – WUSV 2008

United Schutzhund Clubs of America is proud to announce that in October 2008, the WUSV World Championships will be held in Cincinnati, OH. This marks only the second time that the United States has hosted this prestigious event. The WUSV – World Union of German Shepherd Dog Clubs has 72 member clubs that are more than half a million members strong throughout the world. This will be a tremendous opportunity to reach thousands of your highly targeted potential customers through advertising and sponsorship.

There will be about 130 handler/dog teams representing about 35 countries from around the world competing in the event. We are expecting about 2500+ spectators during the course of the event. Previous events have generated over 1 Million web site hits.

On behalf of everyone on the WUSV 2008 Committee, thank you for your continued support of the United Schutzhund Clubs of America, schutzhund events and programs, and your commitment to the German Shepherd Dog. Our goal is to ensure that the WUSV 2008 is nothing less than a world class event and a once-in-a-lifetime opportunity for all who participate. An event of this magnitude would not be possible without the support and partnership of great companies like yours.

The dates for the events are as follows:

<i>Tuesday, October 7th, 2008</i>	Stadium Practice
<i>Wednesday, October 8th, 2008</i>	Stadium Practice / Draw Night
