Team U.S.A. took home first place honors at the 2006 WUSV Championship!

WDA team member Wallace Payne and his dog Merlin v. Conneforde finished third individually with 282 points. Another WDA team member Karoly Meszaros (Charley) and his dog Ace of Nike v.h. Bleekhof finished eighth overall. Our USA team member T Floyd and his homebred dog, the 2005 USA GSD National Champion, Karlo von Floydhaus finished twentieth individually out of 108 dog/handler teams that showed.

Karlo and T. Floyd produced a 93 point obedience performance on Sunday that narrowly pushed our Team USA past the hosting Denmark team. A special thanks to Dean Calderon for serving as our USA Team Captain and providing all of the extra work that helps the team members to have the time to focus on their dogs.
